PAYMENT GUIDELINES

- Always bring your SKY Statement of Account when making your payment and always clearly indicate the subscriber name and account number every time you make a payment.
- Please pay your bill on time to avoid late fee charges.
- Please notify us within thirty (30) days from statement date of any errors therein, otherwise all entries and figures in the statement of account shall be deemed accurate and correct. Likewise, any payment made thereon shall be conclusive proof of your concurrence.
- Please make check payments payable to SKYCABLE Corporation or SKYCABLE and always indicate the subscriber name and account number at the back of the check. Check payments are subject to 3 working days clearing. Second endorsement and post-dated checks are not accepted.

3. Hand carry to any SKY business office (see list under Payment Options).
4. E-mail to skyserves@mysky.com.ph

TV:

Use the proper electrical outlet for your LCD/LED TV. Most LCD/LED TV sets have three prong plugs. If your outlet has only two-conductor holes, do not cut off the ground prong (the third/bottom prong) of the TV plug. It is advisable to convert your outlet into a 3-wire outlet with proper grounding. Consult a qualified electrician regarding this.
